```
  C                                   G7
Enjoy yourself, it's later than you think
  G7                                        C
Enjoy yourself, while you're still in the pink
    C                                F
The years go by, as quickly as you wink
                  C
Enjoy yourself, enjoy yourself,
     G7              C
It's later than you think
```

"Hello, I'm Terry,
And I'm going to enjoy myself first"

```
     C                            G7
It's good to be wise when you're young
     G7                             C
'Cos you can only be young but the once
      C                          F
Enjoy yourself and have lots of fun
   C                  G7                       C
So glad and live life longer than you've ever done
```

```
  C                                  G7
Enjoy yourself, it's later than you think
  G7                                        C
Enjoy yourself, while you're still in the pink
    C                                F
The years go by, as quickly as you wink

Enjoy yourself, enjoy yourself,
     G7              C
It's later than you think

      C                                                      G7
Never right, yes I know, Get wisdom, knowledge and understanding
      G7                                 C
These three, were given free by the maker
      C                                        F
Go to school, learn the rules, don't be no faker
     C            G7                C
It's not wise for you to be a foot stool

  C                                  G7
Enjoy yourself, it's later than you think
  G7                                        C
Enjoy yourself, while you're still in the pink
    C                                F
The years go by, as quickly as you wink
                  C
Enjoy yourself, enjoy yourself,
     G7              C
It's later than you think
