Well, I dreamed I saw the knights in armour coming,
       D                  G
Sayin' something about a queen.
            D                     A
There where peasants singin' and drummers drummin'
        G                 A
And the archer split the tree.

There was a fanfare blowin' to the sun
         G                C
that was floating on the breeze.

In the nineteen seventies.

Look at Mother Nature on the run

In the nineteen seventies.

[Verse 2]

```
      D                      G
I was lying in a burned out basement
       D                 G
With a full moon in my eye
```

```
      D          A
I was hoping for replacement
         G                    A
When the sun burst through the sky
            Bm           C
There was a band playing in my head
      G                 C
And I felt like getting high

I was thinking about what a friend had said
      C                G
I was hoping it was a lie
D                       A
Thinking about what a friend had said

I was hoping it was a lie

Well I dreamed I saw the silver spaceship flying

In the yellow haze of the sun
           D                   A
There were children crying and colors flying

All around the chosen one

All in a dream, all in a dream

The loading had begun
