[A] Say good-**[D]**bye my own true **[A]** lover
As we **[A7]** sing a lover's **[D]** song **[D7]**

How it **[G]** breaks my heart to **[D]** leave you **[Bm]**
Now the **[G]** carnival is **[A]** gone

High a-**[D]**bove, the dawn is **[A]** waking
And my tears **[A7]** are falling **[D]** rain **[D7]**
For the **[G]** carnival is **[D]** over **[Bm]**
We may **[G]** never **[A]** meet a-**[D]**gain

Like a **[G]** drum, my **[A]** heart was **[D]** beating
And your **[G]** kiss was **[A]** sweet as **[D]** wine
But the **[G]** joys of **[A]** love are **[F#m]** flee-**[Bm]**ting
For Pier-**[G]**rot and Colum-**[C]**bine **[A]**

[A] Now the **[D]** harbor light is **[A]** calling
This will **[A7]** be our last good-**[D]**bye **[D7]**
Though the **[G]** carnival is **[D]** over **[Bm]**
I will **[G]** love **[A]** you till I **[D]** die

Like a **[G]** drum, my **[A]** heart was **[D]** beating
And your **[G]** kiss was **[A]** sweet as **[D]** wine
But the **[G]** joys of **[A]** love are **[F#m]** flee-**[Bm]**ting
For Pier-**[G]**rot and Colum-**[C]**bine **[A7]**

[A] Now the **[D]** harbor light is **[A]** calling
This will **[A7]** be our last good-**[D]**bye **[D7]**
Though the **[G]** carnival is **[D]** over **[Bm]**
I will **[G]** love **[A]** you till I **[D]** die

Though the **[G]** carnival is **[D]** over **[Bm]**
I will **[G]** love **[A]** you till I **[D]** die **[A] [D] [A] [D]**
